

### Memorial Brick for Ted Koston

As you know by now, Ted Koston, Hall of Fame photographer, member, friend, and mentor to Warbird Squadron 4, has passed away. Squadron 4 has decided to honor Ted by placing a brick in his memory at Compass Hill on the EAA grounds in Oshkosh. Due to the cost, the squadron is soliciting donations from friends and members. Checks should be made out to Warbird Squadron 4 (memo - Ted Koston Fund). Please send checks to the fund chairman:

Many thanks to all.
